Therefore, the importer must obtain a Certificate of Conformity from the "Laboratoires National D'Essai CE" (National Laboratory for testing) and each toy must carry a 'Norms CE' sticker, guaranteeing conformity. Samples up to four (4) items can be imported exempt from the above requirements, provided they are for testing purposes only and the importer supplies a letter of explanation to Customs.
- 620 Approval from the AMM (Autorisation De Mise sur le Marche) is required for commercial shipments. A prescription and Import License from the French Administration is required for individual shipments prior to shipping. If the documents are not available, do not ship.
- 662 Commercial Invoice required if transportation charges plus value are over 150 Euro (approximately \$203 US).
- 738 All video games (devices as well as software) must be accompanied by a test label, placed inside the package and displayed on the packaging, warning of the risk of epilepsy due to the game's use, and detailing precautionary statements. Items not complying may be detained by Customs.
- 768 A Sanitary Inspection is required.
- 775 Does this shipment contain Melatonin? Melatonin is prohibited.
- 799 Is this hormone drug called Dehydrepiandrosterone commonly called DHEA? Dehydrepiandrosterone commonly called DHEA is prohibited. The Korean Customs has not accepted this hormone drug.
- 900 Is this a GXG Shipment? This commodity is prohibited for GXG.
- 927 A passport copy along with a usage letter outlining what the items are and what they will be used for is required by recipient. An additional day for Customs clearance can be expected.
- 950 An Import License is required of recipient. Individual/personal shipments are not accepted.
- 1348 A value must be declared on document shipments containing diskettes and CD's or all document shipments containing diskettes or CD's must have a value declared.

FRENCH GUIANA (GF)

Recipient is responsible for duties and taxes that are assessed by the country.

PRICE GROUP: 8

P.O. BOX ADDRESSES:

Accepted: Apartado Aereo, Apartado Postal, Casilla De Correos, Casilla Postal or Boite Postale in the recipient address indicates a PO Box and it is undeliverable without a recipient telephone number.

DIMENSION NOTE:

Maximum Size: Total length and girth not to exceed 108 inches.

Individual dimensions not to exceed:

Length - 46 Inches

Width - 35 Inches

Height - 46 Inches

Minimum Size: An envelope or package must be large enough to completely contain the Global Express Guaranteed Air Waybill (Shipping Label), postage, endorsement, and any applicable markings. The shipping label is approximately 5.5 inches high and 9.5 inches long.

WEIGHT NOTE:

Total Not To Exceed 70 Lbs

VALUE LIMITS:

\$2499.00

GIFT SHIPMENTS:

Acceptable: Exempt from duties/taxes if the shipment meets the following criteria: (a) less than 45 Euro (approximately \$72 US) from private individual to another private individual. (b) less than 22 Euro (approximately \$35 Euros) from a company to company shipment or company to a private individual shipment.

SPECIAL REQUIREMENTS:

- All non-documents to French Guiana require a Commercial Invoice. The freight charges must also be included on the Invoice or the International Air Waybill (Shipping Label) itself to prevent delays or inconsistencies in declared value as perceived by Customs.
- Information on the Commercial Invoice and Air Waybill (Shipping Label) must be the same. Different, missing or incorrect information will cause clearance delays and the shipper will be fined by Customs.

COUNTRY SPECIFIC PROHIBITION

In addition to the standard GXG prohibited items, plus:

- Logs and timber products from Liberia such as woodchips, poles, posts, fence pickets, sheets, flooring, molding, pallets, tool handles, barrels, crates, tableware/kitchenware, shutters, blinds, cases/boxes/chests for jewelry and silverware, clothes hangers, clothespins, toothpicks, etc.

- All importers on record must have an EORI-number (Customs Registration number) with the exception of private individuals, military shipments and non EU-residents; recipient's or importer's EORI-number must be shown on Commercial Invoice.
- Ancillary Services are available at extra fees. Expect delays.

- Commercial or Pro Forma Invoice required regardless of value. Invoice on shipper's or exporter's letterhead is recommended.
- Electronic Commercial Invoice is not accepted.
- Samples are duties/taxes exempt for up to 5 pieces and 50 Euro (approximately \$73 US) per item group (both criteria must be met); item group can be style, color, form, catalog not size; these thresholds can be exceeded when the goods are mutilated and if stated on the Invoice.
- Shipments containing Acids will require the exact Chemical Name of the substance and a Chemical Abstracts Service Number (CAS) is recommended.
- All newly assembled, repaired or recycled unprocessed raw wood packaging material (hardwood and softwood) are to be heat treated or fumigated and officially marked under International Standard Phytosanitary Measures 15.
